

Master of Memory

Join Jenny Lobb, Family and Consumer Sciences Educator, for Master of Memory. This four-part series will help you learn how to protect and improve your memory.

A common misconception about the aging brain is that nothing can be done to prevent memory loss. Often, simple lapses in memory or declines in recall speed are mistaken for dementia.

When: Friday, at 12pm

Class Dates: 11/4, 11/18, 12/2, 12/16

Where: 911 Parsons Ave, Columbus Ohio
